

ALEX LYASCHENKO PROFESSIONAL PROFILE

Alex is a Project Planning & Delivery Consultant with over 20 years of experience in project portfolio management across different industries and countries.

Alex has worked within multiple portfolio and program offices including Enterprise Portfolio Office in Westpac, Portfolio Delivery Office in Sydney Trains, Program Management Office in Ausgrid and iCare, and Eastern Suburbs Portfolio Office in Transport for NSW.

Alex is a certified project manager, P3O and Agile practitioner and has significant experience in projects and programs as a planner, a program scheduling manager and a portfolio scheduling manager.

Alex uses a variety of reference sources in his projects, such as PRINCE2®, PMBOK®, P3O®, and has particular experience in ensuring organisations can implement best project delivery practices, including reliable scheduling processes and apply the most appropriate scheduling tools, methods and techniques. Alex has a proven record of implementing the best scheduling standards, methodologies and frameworks.

Alex is a presenter at Project Management and Project Control Conferences and author of articles in project management magazines.

Alex represents the international Spider Project Team and provides Planning and Scheduling training and mentoring. Alex shares his ideas via the 'Success Driven Planning & Delivery' blog: saluteenterprises.com.au/blog/ and LinkedIn project communities.
